

Mission, Vision & Quality Policy

Mission

Intanova's mission is to help its clients turn their accommodation spaces into successful business solutions through service excellence.

Vision

Our vision is to be the first choice global provider of innovative, adaptable and sustainable interior solutions.

Quality policy

To achieve our company goals, Intanova has established and communicated across all levels of the company the following policy:

- ▶ We strive to ensure client satisfaction in all areas of our operation.
- ▶ We focus on safety as one of the highest priority on all projects.
- ▶ We continually monitor and strive to upgrade all aspects of business performance.
- ▶ We constantly balance business needs with the personal needs and expectations of all staff, including providing opportunities for the development of appropriate skills and experience.
- ▶ We ensure that at all times we comply with statutory and regulatory requirements.

In addition, all Intanova staff members are expected to apply the highest levels of teamwork and integrity, with total commitment, to achieve our clients' objectives.
